

**EQUINE CANADA –CANADIAN EVENTING COURSE DESIGN
PRACTICAL BUILDING CLINIC & THEORY COURSE
Thursday February 21st 2013 – Sunday February 24th 2013
Campbell Valley, BC**

The Canadian Eventing Officials Committee is proud to offer two Education courses for Eventing Course Designers - the Eventing Course Design Theory Course and the Eventing Course Design Practical Building Clinic. This opportunity offers a two day in classroom course which will focus on cross country course design followed by two days of practical construction techniques plus frangible pin technology instruction. Everyone is welcome to attend. These are integral components of the Equine Canada Eventing Course Designer Accreditation program, successful completion of one or both components will be credited towards Equine Canada Eventing Course Designer licensing.

The Course Facilitators are Jay Hambly, FEI (I) & Laurie Rowan, EC Senior /Level 2
